

Product Information Sheet

Double White Window Block

This completely opaque vinyl is an excellent way to cover glass surfaces ensuring a white finish on both sides. Either used alone for this purpose or alternatively it can be combined with a reverse printed clear vinyl to give a double sided window advert with a different image on each side. Compatible with all common solvent, eco / mild solvent inks.

Product Type	PVC film for solvent inkjet & UV printing.
Face Film	180 µm Monomeric soft PVC film—White Gloss
Dimensional Stability	Applied onto aluminium after 48 hours stored at 70°C Max.—0.45%
